

## Mrs. Louise Tolin

April 7, 1930 - October 3, 2018

### Her Story:

Louise was born in Fairfax Alabama on April 7, 1930.

She was a brave child getting on a train at the age of 5 from the south to the north all by herself. She met her husband in her early teens; having three beautiful children with him. She was married to him for 45 years.

She was a very loving woman who dedicated her life to her children and grandchildren. She was full of wisdom and passion. An activist in her community, a serving member in her church; Greater Grace, she openly volunteered to better her neighborhood by participating in her block association. Her mission was to serve others and help to better not just her community but anyone that came in her path.

She leaves to cherish her memories a host of family and friends.
