

Mrs. Lowrea Crawford

June 9, 1926 - January 13, 2018

This was her journey:

Lowrea Owen was born on June 9, 1926 in Union Springs, Alabama, to the union of Samuel Carter and Annie Mae Owen. She received her education in the Bullock County Public School System.

She received Christ at an early age at Perote First Baptist Church and remained a member until she was united in Matrimony to Colbert Crawford. She then moved her membership to Jones Chapel A.M.E. Church, in Omega, Alabama. Lowrea was a faithful member of Jones Chapel A.M.E. until she moved to Detroit, Michigan in 1951. As a Detroit resident, she visited several churches until she joined the House of God Church, Keith Dominion in 1972. While at the House of God Church, she was President of the Local Missionary for many years, a Sunday School Teacher, and Secretary of the Sunday School. She loved working with the children and young adults of the church. Her husband preceded her in death in 2006.

Lowrea was a talented seamstress and enjoyed all parts of dressmaking, from alterations to fully tailored suits and dresses. She was a great cook who made the world's best sweet potato pies, pancakes and fried chicken. She loved to entertain family members and friends with her wonderful meals, and she especially relished cooking for her grand boys. Lowrea had a phenomenal

memory; her recollection of people, events, and dates was instrumental in the compilation of the Crawford, Moody, and DuBose Family Trees. For the past three years she called Sterling Place Senior Community home. She made many friends, and took full advantage of the many activities available at Sterling Place. This is where she learned to make beautiful necklaces and bracelets, and developed a fondness for word games and playing Bingo.

“ We're honna miss you Cousin Lewrea. Your family is in our prayers.
From your Cincinnati family.

*You told your daughter Joan before God called you home you
wanted to find your Dubose family.*

*Little did you know where you would play and grow you were
already among them actually.*

*You said finding us was a dream come true but the real treasure in it
all was our family finding you.*

*Our talks together could sometime be long, but that just let me know
that our family bond from the beginning was very strong.*

*Oh how I'm going to miss you, a woman with so much love.
But I know without a doubt I have another angel watching over me
from above.*

I love you Cousin Lewrea ❤️
