“ *My condolences to the Simpson family. When reflecting back on the  
good times I had with Mable, I remember when she would have me  
drive her to Hamtramck to pick up one of those beautiful suits she  
would wear to church on Sunday. Mrs Simpson was not a driver  
but could tell me how to get where we needed to be. this is how I  
learned my way around the city of Detroit. Mrs Mable was a devoted  
baby sister for her grand daughter Prestige. You will be missed*

*Love always

Although we will miss you dearly everyone knows your eternal home is one worth waiting for, and you will have no desire to return. I for one am happy and rejoice that you have finally made the journey home for your suffering days are over: You are now entitled the many promises the Lord Jesus have awaiting you in His Father’s Kingdom.*

“ *As Salaam Alaikum! (Peace Be On To You)*

*O Allah (God) Thank You for The Mother You made for us. her character was like the virtuous woman, single handedly raising six children one might say it was like 6 virgin births. when times got hard she look like a gar running two referrals until she found the well Zamzam.*

*Mother,*

*Thank You, for your care for your love thank you for the precepts and examples that you set. Thank You for the high standard of dignity you held us too.*

*I love You,*

“ Mother, some years ago, I was watching a movie where a single mother was raising her six children all alone. It took me back and made me reflect on all that you endured to ensure that we had food on the table. How you caught busses in the dead of winter to feed us, and to pay the bills, I cried like crazy, because I struggled so hard. But you made it happen. That's a Mom. I love you.

**Darrick Simpson** - January 02, 2014 at 07:47 PM

“ Mother, you will forever hold the biggest part of my heart. You went through hell and high waters to raise the six of us, and I say, you did a really fine job. I'm so very sorry for the pain and heartache I caused you in 1988. You're the love of my life, and I'm sure you know that. Just as Cheryl, my heart is sooooo very heavy, and I miss you, terribly. I know you'll be watching over us, and guiding us in the right direction. I love you, with all my heart and soul, MOTHER. Rest in peace, your first born, Darrick William.

“ Mother you I must say have been one in a million, my heart is so heavy right now without you here with us. I will always have you close in my heart and will always carry with me everything that you instilled in me for the rest of my life. Until we meet again just know that I Love you and miss you dearly!!! RIP. Cheryl

“ *I send my sympathy to the family and friends of Mable Simpson at this difficult time. May you be comforted by the promise of the resurrection and the knowledge that soon death will be no more and never again will we have to bury our loved ones. God makes this wonderful promise to us at Isaiah 25:8 where it says he will "swallow up death forever." I hope these words are of some consolation.*
