Mae Helen Manns was born in Humboldt, TN on September 9, 1949 the 5th of twelve children born in the union of the late Mr. Walter Manns and Mrs. Ora Bell Manns. Mae Helen's sister Ora Lee Tatum, brothers L.D. Manns and Billy Manns preceded her in death.

Mae Helen had two loving sons. She was a wonderful mother and grandmother. Mae Helen turned her life over to Christ at an early age at Hope Well Baptist Church. She attended Wayne State University to become a seamstress where she applied her skills at Mechanics/Cintas from 1980 to 2000 when she retired. Mae Helen enjoyed spending time with family, talking about her life, giving advice and listening to music. She always spoke on things she experienced and wanted people to learn from her life experience.
