“ *My condolence to the family of Mae Morgan. We have worked at Sears together for many years. I will miss her greatly. She was more than a co-worker to me, she was my friend. I pray the LORD wraps his loving arms around this family during this time. GOD Bless!*

“ *I remember the first time I met Mae. I knew from that day, she was someone I wanted to keep around me. She was full of wisdom and full of life. She accepted me as one of her own. To the Family... I love you ALL*

“ Mae, was a sweet and caring person and she will be missed. When I started working at Sears she was the first person to show me the ropes. When she seen me , she would say hey boo! I'm going to miss her. I'm praying for you guys.

Mae and I were co-workers at Sears. I found her to be a caring and beautiful person. She also was my beautician for many years; and whenever she did my hair I received so many compliments.
