“ *My Grandma was loved by many and will be missed. We thank God for all that she was for each of her loved ones. Grandma was always real and didn't play games with anyone. However, those that she loved, she loved hard and protected with all that she had in her.*

I thank my Grandma for her love, prayers, and strength that she instilled in me. Rest in peace Grandma, because your work here is done! I love you! Kisha

“ My sincere love 💜, prayers 🙏, and condolences 🙏♀️ go out to my extended family... The London Family! Losing the “Pillar” of your family is tough and it changes the dynamic force within the family I know... I remember meeting Grandma 🧓 many years ago, after being told, “I wasn’t ready for her!” Well... I must have been ready because she instantly made me laugh 😄 and I thought she was the cutest, Feistiest senior ever! Then every time thereafter, she continued making me laugh 😄...I will truly miss her and her Wittiness! To ALL of you I say, hold on to your Faith and God’s unchanging hand! May He cover you with His infinite Mercy, Strength, Comfort and Peace as only He can! For He said He will give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of the LORD, that he might be glorified. God is with you along the process of this new journey! To be absent from the body, is to be present with the Lord; find solace in knowing that we shall see Grandma again some day! Love 💜 you; God Bless 🙏🙏

To My extended family
I am sending Love and condolences to each of you from me and My family. MS Mamie has been a part of me since my teen years. My hearts beats differently as I know the Lord has prepared a home for her. She was genuine in her beliefs. May each you be lead into his Arms. Your Sister from another mother.
