“ I worked with Dr. Lewis during his residency at HFH in the emergency room and at the senior clinic. Who would've known years later that he would become my ob/gyn and deliver my daughter. He will truly be miss. I'm sorry but I just recently found out about his passing. Prayers to him family, friends and co-workers.

“ I met Dr. Lewis when he started as a new Ob/Gyn resident at HFHS. He & I worked together for close to 20 years @ HFHS in the Women's Health Dept- at the Main Campus and at HFHS Fairlane. As a staff, we shared many wonderful memories during those years. Marc was always kind, professional and supportive of us all. I will always remember him for his calm and approachable demeanor and for his very contagious smile and laugh. My sincerest condolences to his family, friends and coworkers. I will be praying for his eternal peace.

“ To the Lewis Family, my thoughts and prayers are extended to you. May God comfort and heal your aching hearts. I worked at HFHS in the OR with Dr. Lewis. He was one of the nicest gentleman one could ever meet. He always displayed a gentle and kind demeanor. I never heard him raise his voice in the OR like so many other staff.! I am sad and found it difficult to accept his loss. However, we have to attempt to accept when God beckons his Angels to return. May he rest in God's Heavenly Peace. LaVerne Wimbush-Crim R.N.
