

## Marcus Mason Brown

June 24, 1983 - October 10, 2024

### In Loving Memory Of

Marcus Mason Brown was born on June 24, 1983 to Mason and Wanda Brown in Detroit, Michigan. Marcus was a very special soul who faced many challenges due to his dual diagnosis of Autism and Severe Cognitive Impairment. He endured so much so innocently but despite his disabilities his pure heart and personality could be seen by everyone he came in contact with. To know him was to love him even when you couldn't understand his challenges. He was loved fiercely by his parents and siblings and he made an instant impact on everyone who met him. Marcus was a student in the Garden City Public School system attending Burger School for Students with Autism. He received his Certificate of Completion in 2009. From there he participated in a daily workshop program in Canton, Michigan until the pandemic in 2020. Marcus was an incredibly loving person who enjoyed having his family pay attention to him and love on him. He also found great laughter and joy when his nieces and nephews wanted to hang with him in his personal space. Although he was non-verbal he knew how to let everyone know he needed his quiet time.

He enjoyed his alone time watching his favorite classic TV shows Martin, Good Times, A Different World and The Cosby Show. We are most grateful that Marcus had such deep abiding relationships with his family. We know he felt loved and we know we felt the truest form of love in return. Our family will deeply miss our precious baby boy as he was everyone's favorite and our

family revolved around him. He enriched and made our lives better simply with his presence.

Marcus entered the Kingdom of Heaven on Thursday, October 10, 2024.

Although in mourning we will cherish his memories and we thank God for the time we got to share with him on this earth until we are reunited again.

He is survived by his parents Mason and Wanda Brown, siblings Michael, Natasha (Lamantis), and Maurice. Nieces and nephews Michael, Isabella, Jayda, Mason, Layla and Kylee. His niece Taleeah Brown preceded him in death. May they rest in Heaven together. We Love You and Miss You Marcus!
