“ My grandmother was definitely one of a kind. I can't explain how she command the room with lots of love and energy making everyone feel like family. She was a hard working, selfless, sweet woman. She was always on my back encouraging me handle my business. Always reminding not to take any lack from anyone! I love her so much and will truly miss her including the tough love. She was instrumental in my son and I life and it is heartbreaking to hear him say her name (GiGi) and she not holler back. I hope you're in heaven resting comfortably Grandma because you deserve it. I promise to continue to be a great mom and make you proud. Thanks for all your love and support!

“ Dear Hannon family, I am so sorry for your loss. I would just like to leave you with a brief encouraging message from the bible found at 1 Corinthians 15:26 where it says, "And the last enemy death is to be brought to nothing." May God's word bring you comfort in this difficult time.

“ Nothing I say can ease the pain that you feel in your hearts. But know this your mother was one of a kind, she loved her children and she gave a piece of heart to all that knew her. She will never be forgotten and always loved. Love Juanita Brooks and family
