“ *One of my sexy Mother's who is and was very special. A loving person that let her light shine.

I did not have the pleasure of meeting Mother Phillips in person; however, I have met those who have been under her influence. She was "a sweetie and such a gentle spirit."

"She loved Jesus and always let her light shine for Him."

"She was a good Auntie and I love her so."

My condolences to family since Auntie Shirley moved in with Jesus.
