“ Aunt Margo you will be missed dearly. I stood with nana(your sister) next to you as you were set free but I will never remember you as I saw you that day I will forever remember listening to yours and nanas funny conversations and hearing the 2 of you yelling to eachother as you were both deaf and tend to forget that everyone else could hear yall lol you always cared more about everyone else then you did yourself. I may not have spent the most time with you but the times we did spend together were always full of love and laughter and I truly will miss the smile you had and the smiles you always put on my face! Rest easy my beautiful angel save me a seat up there! Me and leeland love you so much and you'll be missed deeply down here.
