“ *I love you Mama!! I miss you so much. Your son and I thank you for the wisdom you gave to us. Because of God and you we are forever grateful for Everything you have done for us, we never wanted for anything! You were kind to people, all walks of life. You cared about people and wanted the best for everyone. There will never be another Maguerite! Remember Mom what I told you? Your going to the Father and he Loves you more than me! Amen*
