“ *Every Wednesday mo would deliver to the restaurant next door to where I work and I would always go out there and chat it up with him. He was a great man. Always had something positive to say. He was the first person I told when I found out I was gonna be a grandma. My condolences to the family. I will keep u all in my prayers always.*

“ *"Mo" was a co-worker of mine. One of a kind. Always had a good word for you. I would see him on his bike occasionally out in Brighton, could never get him to go for a ride. He was always busy with family or projects. He will be truly missed. It was an honor and privilege to have known him. My condolences to his family.*

“ *My deepest sympathy to all of you on the loss of Mo. You could always count on him to lift your spirits when things were going tough--with a joke or a smile. He will be missed by all of us who worked with him for the last 13 years and I'm sure also by everyone he's come in contact with in his job. May fond memories of him, help your family through this difficult time.*
