“ *Vita and Oscar,*

*Your Mother did much for me as my valued Administrative Assistant at Wayne State University for 15 years, and taught me many, many things. I reflect on many of them frequently and often. I will forever value her wisdom, wits and insights. I believe she was one of my many gifts from God. You are both so fortunate to have had her as your mom.*

*My thoughts and prayers are with you and all your family. May the peace of the Lord be with You.*
