“ *May you find comfort in knowing that your dear one is safe in the memory of God, who will remember every detail about her and bring her back again.*

“ *My heart is hurting especially on today as love ones come to say their final goodbyes. Sorry that I'm not able to be there. I will miss that beautiful smile and all the times you encouraged me..But I know one day, when we all get to heaven, what a day of rejoicing that will be. See you later my sister!*
