“ *Dear Mario's Family. Tomorrow is his birthday. I know that it will be hard to deal with since he died so sudden less than a month ago. It is best to remember the good times and not reflect on the bad that has happened. I know it's hard and it's hard to get through. Being one of Jehovah's witnesses I believe that Mario has the hope of being resurrected when Jehovah brings an end to this wicked world. Soon Mario will be back on earth, he will live in a time when there is no pain, death, or sickness. This is a heartwarming and encouraging thought to keep. Mario is not suffering now. He is unconscious and in a sense, sleep. Just waiting to be awoken by Jehovah and many others sleeping with him will also be back on Earth. I hope this gives you a sense of hope. If you ever need more encouragement or want to know more contact one of Jehovah's witnesses.*

“ *My name is Laurie Kopack and I am the mother of Leo Kopack who is on the Ferndale High Varsity Track Team. I did not know Mario but did get to see him compete at track meets last year. We also lost a son a few years back so I know first hand the journey you are embarking on. Your family has been in my mind nonstop ever since Leo came back from the emergency meeting the coaches held the evening of March 14. We are all praying for you.*
