“ *Ms. Marion was my mother Rosetta's childhood friend. She was in my mother's wedding. She was VERY attentive to my mother, always sending thinking of you letters and ALWAYS remembering her birthday. As a child, she was Aunt Marion to us. I can see her smile and she was always so full of love, hugs and kisses. I was searching for her because my mother just confided in me this weekend that she had lost contact with her longtime friend. Ms. Marion had moved from her Georgia home and the address and phone number my mother had were no longer working. She knew something was wrong when Ms. Marion did write to say happy birthday. I am sad to learn of her passing and even more sad that they will not be able to connect once again. She was a great friend to my mother. Thank you Ms. Marion for loving my mother. You will always be remembered by the Simmons family. My God bless her and the family.*
