“ You are my youngest sister, I always look as you as my baby sister who I took to so many fun places. You ALWAYS have a smile. We always said we were going to celebrate our birthdays together, yours Feb. 18th, and mine Feb 19th.but we never did.I miss you dearly twin. We look so much alike that's why people used to get us mixed up. Even your grandchild would look at me and just stare. He say it's like looking at his grandma. I LOVE YOU AND MISS YOU, God has added another angel.

“ Miss you baby sister. I remember those days when we were young and would bicker about the smallest of things. I never thought I would long for those moments, but in hindsight, I now treasure them.
