“ To Markel's Parents & Extended Family,  
My name is Ms. Sally Lewis and I'm Lalana's  
(aka Lala's) Grandmother.  
I only met Markel in person once, after he and  
my Granddaughter came by the house to  
have pizza after attending her high school Homecoming dance. He  
presented as a most respectful, kind young man. When I extended  
my hand to shake his, he asked if he could give me a hug instead. I  
immediately felt his loving spirit. We chatted like we'd known each  
other for awhile. I can only imagine what you're going thru because I  
have not experienced it. With this acknowledgement please know  
that our family has been and will continue holding you and yours in  
prayer.  
Endless Blessings!
