“ *I remember granny calling all of our phones like thirty times a day....for absolutely nothing. We got so use to it that the days she didn't call we would all call her like....what you over there doing lol. She has left an everlasting impression on everyone she ever came into contact with. My friends knew her and adored her as well. I love her so much. She will always be my "granny granny". And I will miss her even more. Rest in Paradise my lady. For you too deserve peace.*

“ *My memories of Ms. Arnold were always pleasant ones. She always showed me love since my connection with family started in '80's. Bobby and I spent many years on Charest visitng both of our grandmothers, it had become a ritual for us.*

She will always be remebered and her kind heart lives in all of us!!!!!!

Psalm 116:15 - Precious in the sight of the LORD is the death of his saints.

“ *My grandmother was a woman of strong faith. I always believed and still do to this day that she blessed us all and had a covering over her children, her children's children, and so on so God protected us, watched over us, and kept us out of harms way. Her memory and legacy will forever be in our hearts, "I thank God upon every rememberence of you,"*

Jessica Pickett - April 08, 2015 at 09:59 AM

Please remember that the ones we love, that are no longer with us on earth, remain in our Hearts forever. Because LOVE itself lives..... and our cherished memories will never fade. As long as we have our memories Martha will live inside each of you.

I am praying that peace comes from the memories of the love shared..... and that, that peace comforts you now and in the days ahead.

I am sending my all my Love and Heartfelt Condolences to you all!
