*My beloved and very loving grandmother a.k.a. "Mommy Anne" always made mostly everyone feel like they were family. If you visited, no matter who you were, she would offer you a meal and insist that you eat or take a plate of food with you. She was a strong phenomenal woman of God. My "Praying Grandmother". I will forever cherish her unconditional love and memory in my heart. Mommy Anne was the best grandma ever! Like she said to me and would always say "See you after while" . I am confident that I will surely see her again in Glory. I LOVE YOU Grandma! See you after while!*
