“ Hi daddy. It's me again LeeLee. Just sit here thinking about all the summers in Southfield. Remember you took me and Brittani to Sports Authority and you told us to pick out our bikes, tennis balls and rackets and made us go outside everyday lol. We couldn't sit around the house we had to get out. Well me brittani rode our bikes for a minute then we got bored and went to the pool lol. I remember you always had the air on super cold and coming back in from the pool and how it use to be so cold in the house. That's just one remember I have so many others. Thank you for creating such a beautiful daughter like myself. Not only I'm I super smart because of you I'm also very gorgeous daddy cause of you lol. I know it sounds vibe but you know how we are lol. I love you and miss you. Your the best angel in heaven daddy!!!!
