“ Don't think of her as gone away. Her journey's just begun, life holds so many facets this earth is only one. Just think of her as resting from the sorrows and the tears in a place of warmth and comfort where there are no days and years. Think how she must be wishing that we could know today how nothing but our sadness can really pass away.

Think of her as living in the hearts of those she touched. For nothing loved is ever lost and she was loved so much.

Aunt Mary I will cherish our conversations please give my brothers, Grandma and Uncle James a big hug for me. Let them know that I'm not letting anything disturb my peace as promised.

For my mom I know this is heavy at the moment as this is your last sibling. Keep speaking to God, you will find strength and comfort in his words.

For the Braxton Family and loved ones, you have been through a lot. Aunt Mary is in a great place. Her sprite will always be with you. She loved her family so much. You have a lot of angels watching over you Jr., Alive, Mary Ann & Aunt Mary. Never let go of their memories.

Blessing
