“ Our deepest sympathy goes to the family of Mary Gardner. She was like a mother not only her own, but so many of us children growing up at United Christian Church. "Mama", I will always remember your sweet smile and beautiful singing voice. I know your singing with the Heavenly choir now. Sleep on in peace. You will be loved forever. Peace and blessings until we meet again in Glory. Jackie (Neal) Lateef & Family

“ Mom,
From a infant to a child a child to an adult . You always had unconditional love for me. You always was patience with me. I understand why you kept us in church because without God I don't think I could get through losing you. To know you are in a better place my heart rejoices. I know you are singing in God's heavenly choir. And playing the organ. Sitting here remembering when you took me to see the horses and how you use to tell me I need to work at a zoo. Because I would have all kinds of animals for pets. Those type of memories makes me smile. I will miss you so much mom. I remember the song you thought me when I was 5 years old like it was yesterday. The song was" I Am going to move across the river one of these days". I catch myself singing it all the time now. Mom thanks for everything you have done for me. Thanks for your unconditional love. Now you have your crown and heavenly wings. And I know God said well done my child and you entered into heaven. I will always keep you in my heart forever and always love you mom
