“ My best memory of her is as a kid we were out of school for winter break and she called mom and said girl what's Terence up to, and she just getting on my nerves, that's why I called you to get him out of the house I'm taking my kids to the show at the Camelot and I will come get him, so she came over to the house and we went to the Camelot and I was so excited because it was a double feature that day break dancing 1 and electric booglo... so we open up the bags of food and I was in shock we had fried chicken and biscuits and for dessert teaCakes . The Camelot smelled like a soul food restaurant and I had fun, Thanks for the memories of good times love Terence walker
