“ *On behalf of myself, Sarah and Thomas, we offer our deepest sympathies to Sarah Frances and family over the passing of Aunt Mary. Of the five sisters, Aunt Mary was the absolute strongest. She and Aunt Susan told me hilarious stories about their arguments over my grandmother and her twin sister (before she passed as an infant), and the conversations they had over the years. Strong willed women, now all together again. Bless you and keep you, and enjoy your memories.*

“ Well grandma we kept our promises for the most part. You stayed around for me to graduate college, get married, and have children. Unfortunately you were unable to see the twins in person. I will miss hearing your voice on our phone conversations but will always cherish the wealth of wisdom you possessed. I am so glad that you are at rest and not having to deal with the ailments of this world. Jesus has gained another precious angel and although we will miss you on this side we are living to live again. Thank You Jesus for allowing my grandma 96 years on this earth.
