“ To the family of Elijah, my family would like to offer our deepest condolence to you all. My son Reginald goes to Hilbert Middle school with your baby, I had seen Elijah on a couple of times when he would come down my street, I am blessed to say that I was able to see his beautiful spirit in him, this being during the last heavy snow day before his passing, he stopped by house to ask if he could shovel my snow. As I looked out my window at him and his brother and friend shovel, I was very impressed at how well they worked together and such a beautiful job they did. I witnessed how your baby took much pride in what he was doing. For when I observed him I smiled and thought to myself this is a beautiful young man. You raised and taught him very well. Be very proud as parents because your light shined through him and Elijah in return shined his light on others. My only regret is that I did not get to know Elijah that well but please be comforted that yes his spirit touched everyone that has been blessed to be in his company. My family sends our LOVE and PRAYERS to you. May God keep you close and comfort you always.##imported-begin##Roxiann Young & family##imported-end##

“ Dear, Anderson Family

*Elijah was a very smart kid and he was always my partner in any of our classes and we always get a A+ on our projects and the thing I will miss about him is when we use to make beats and sounds and we tell what we wanted to be and what kind of car we wanted when we grow up. He told me that his dream was to make beats and play drums and be a rap producer to rap artist.##imported-begin##Chris Hughes##imported-end##*

“ Mickey,

*This is Kwanita mother, I have been praying that God will give you strength to endure since Sunday when Kwanita called and asked me to pray for Elijah, your angel. I hung up and called others to pray as well. My heart is heavy for you and your family at this time of bereavement. May God keep his arms of protection around you and hold you always to comfort you, when there's no one else around. I will hold beautiful memories of Elijah, the beautiful smile to name a few, for he was with me and my family on Christmas Day. He was such a young handsome gentleman in Kwanita and Yohance wedding. My prayers are with Ari and Roslyn as they adjust to not having their brother around anymore in the flesh, for he will always be in their heart.....*

*You never said, I'm leaving, You never said, "Good-bye." You were gone before we knew it, And only God knows why.##imported-begin##Delores White, Montgomery AL ##imported-end##*

“ My sweet friend:

*You had the cutest little smile ever. I remember the time that I told you I was going to take you home and eat you up for Thanksgiving Dinner, and how I would always pinch your little cheeks. I miss you already, but you are now making the angels smile like you made me smile, and there is a new and very bright star in the night sky.*

*Juliana*

*I only knew you for two years but they were the best two years of my life. You always used to make me smile but now all I do is cry and no matter where you are I will always be there for you. I am down here looking up at you and you are up there looking down at me. I will hold you in my heart until the day I die and no matter where you are I will always be there for you and one day I will see you again in heaven.*

“ I'm truly sadden for the lost of your son Elijah. May God be with your family during this time of sorrow. I found this poem and wanted to share it with you... I hope that it brings you some comfort.

*Sorry I didn't get to stay.  
To laugh and run and play.  
To be there by your side.  
I'm sorry that I had to die.*

*God sent me down to be with you,  
to make your loving heart anew.  
To help you look up and see  
Both God and little me.*

*Mommy, I wish I could stay.  
Just like I heard you pray.  
But, all the angels did cry  
when they told little me goodbye.*

*God didn't take me cause He's mad.  
He didn't send me to make you sad.  
But to give us both a chance to be  
a love so precious .. don't you see?*

*Up here no trouble do I see  
and the pretty angels sing to me.  
The streets of gold is where I play  
you'll come here too, mommy, someday.*

*Until the day you join me here,  
I'll love you mommy, dear.  
Each breeze you feel and see,  
brings love and a kiss from me.##imported-
