“ *My grandad was great big ole' man in presence and personality. He taught me the value of hard work at an early age. He also introduced me to my first love...jazz*

“ *I miss my dad. I miss being able to pick up the phone and talk to him. Some say that I miss him so much because I live out of state. I HATE THAT. I miss him so much because I LOVE HIM.*

“ *It's been 3 months since dad's death. I've been to Detroit twice since then. It feels very strange there without him. I feel like the little kid who spends around to the point of getting dizzy. My world started spinning when dad died. I hope the spinning stops soon. Then I will work on getting my balance. Jehovah's promise of the resurrection is so helpful and I know he understands my grief like no one else. He will make me strong.*

“ It's been 2-1/2 months since we lost dad. The pain is still very sharp. Having his voice on tape and wearing his shirts some how brings me comfort. Knowing Jehovah's promise of a resurrection brings me peace.

“ Daddy. We've had so many conversations about this day. And once again your wisdom rings true. This is indeed bitter-sweet. I miss you so much dad but I have FAITH in the resurrection. It is that faith and strength from Jehovah that's helping me hold on right now. MY HEART IS SO HEAVY.
