“ *With deepest sympathies and heartfelt condolences. Granny B as the Doty clan called her was a Godsend to our family. She has left a legacy with many with a heart of Gold and a cane of "steel" :) The memories we hold will outlast our lifetime. May God grant you with peace and comfort. Love you all, the Doty's.*

“ My prayers to the Brogdon family...

May God give you all strength to endure this time of sorrow. To hold on to the good memories and never letting them go, to know that she is in a beautiful place where there is no tears, pain or suffering and remembering that one day you will once again join her and see her beautiful face and smile again.

Special prayer to my dear friend Kenny. I wish I could be there to support you personally but know that you and your family are in my prayers and i'm looking forward to seeing you again soon.
