“ *Hi mama. I can't believe two weeks has gone by already. I really miss you a lot. We got so close after all of our mishaps, but one thing you taught me was to be there no matter who or what it was. And I'm elated that we got that understanding mom. Fly high and rest easy, I love you, your daughter Erica.*

“ *Shana and Matthew*
Mattie and I were first cousin we were the last that was born in the Baker's family blood line. We were 5 months apart my birthday was on March 28th and she was August 28th no matter where we were we always contact each other on our birthday's. When we were growing up we spent time together just like we were sister. She is a great person with a big heart, I will miss you and will and remember you forever. So every time that our birthday comes I will be sending you a happy birthday and I know that you will be looking down on me when wishing me one as well.

Love you, Sis
