

Ms. Matura Shireen Wilson

June 20, 1967 - October 2, 2019

In Loving Memory Of;

Matura Shireen Wilson, aka Fat Baby, was born on June 20, 1967 to proud parents LaVerne Wilson and Johnny Tolbert. She was raised by her mother and stepfather, Rufus Stokes. She was the youngest of three children. Matura was educated in the Detroit Public School System and later attended Wayne County Community College.

Matura made family her career. Her house, lovingly called the, "Koolaide House," is where everyone often gathered. She loved listening to Aretha Franklin (Re-Re) and Prince when cooking for the holidays. Matura had a commanding presence and a way of taking over the party. Everyone who knew her, knew she was fun loving, but, if you got on her nerves she would definitely "cuss you out." She had a way of telling you about yourself and it was uncensored. She loved life and her family. She was the life of the party. If she were here, she would say, "Kiss Kiss, Love Love," and remember, "it's all about me."

She will be met in heaven by her mother, LaVerne Wilson; her stepfather, Rufus Stokes; her firstborn son, Michael James Ester, Jr.; and her niece, Sparkle.
