“ *My deepest Love to the Family, The first time Max came into my house he asked if I had OCD because my house was so clean , little did he know I cleaned it up good that day because I knew he was coming over to see who his sons were visiting all the time, like any good parent would. Much Love Debby Odom*

“ *Maxwell and my son Yyam, were best friend Brothers...therefore he was like a son to me, I will miss him telling me about some kind new rib rub that he found and how I'm supposed to do it and all that other good stuff... he was a Super Hero to All of Us. He loved his family. His wife was his world... You can truly rest in peace now son.*
