

## Mrs. May Lou Tennon

September 19, 1939 - March 18, 2019

### Autobiography:

I was born as May Lou Tennon, but my friends and family called me "Mary. " Born on September 19, 1939 to Sid and Kate Moore. My parents along with my five brothers and I moved to Detroit, MI in our early childhood. I accepted Christ at an early age. I attended Detroit Public Schools.

Marrying Charles Tennon and having five children, I continued my education at Highland Park Community College receiving a degree in Business Administration. I understood the importance of education and was determined to provide an exceptional life for my children. After graduation I landed a career with the Detroit Board of Education.

For 25 years my role as a head administrator was a great journey. I gained many long-life friends and was blessed with an abundance of knowledge.

I enjoyed life, frequently taking bus trips, traveling, swimming, water aerobics and going to Canada to play Bingo. Y'all know I liked to stay up late watching scary movies, cooking my famous salmon croquettes or chicken and dumplings. My fondest memories are spending time with grandchildren, great-grands, great-great-grands taking them to see beautiful Christmas lights during the winter and to the beach and parks during the summer.

My family and friends admired my bluntness and compassion, along with always being a listening ear and dependable. Helping as many as I could.

God has blessed me with a long amazing life and I'm sending strength and love to all of you. So my wish is for you to celebrate me, because I've made it to heaven, I got my wings!
