“ Mayda was my oldest friend and we knew each other since elementary school. She lived on the next street so we walked through the alley to visit each other almost everyday. Mayda would call me regularly and say “how is my family doing?” You can hug your mom again now. We will miss you. 🌹

“ My friend of 50 years. My heart is broken. She was a wonderful friend. I loved her dearly. We laughed together and never disagreed. I am going to miss you.
