My cousin Mayo was one of the most memorable persons that I met in my life. Coming up in Saginaw Michigan I never saw him as frequently as I would have liked. But what I did experience from knowing him and being around him is that he was a fun loving person. You knew you were going to have a blast if you were in his presence. I wish I could have seen him more than I did but unfortunately living in Denver Colorado it was not possible. My deepest sympathies go out to Gloria and the family. He and my dad Curtis Simmons spent time together and thats how I met this fun loving jovial person. I wish I could have gotten back to Michigan more and could have seen him and the family more. Like my dad he is surely missed.
