“ To my dear loving brother. I have memories of you being a wonderful big brother. You always looked out for your family. Even as a child , I wouldn't walk and you carried me on your shoulders so the ants wouldn't bite me 😊😊

While you are missed here on Earth, I know you are present with the Lord. Rest in our Lord's arms.

Love forever,

Your loving sister

“ One of my favorite memories of Mack is that when we were young he would go to the store and buy BB Bats. He would ask us questions and if we answered right he would give us one.

Until we meet again!

“ To my Uncle Mac, you will truly be missed. I will always be your Little J..., but in a good way. Thank you for not only being my favorite uncle but my second dad and an amazing favorite brother to your sister and my mother. Rest well Uncle, keep everyone in heaven laughing and I am sure you are now labeled the best storyteller in Heaven.

“ Uncle Mack I will treasure the memories that I have of you. You like many of your sisters and brothers were blessed with the gift to make us laugh. I remember you coming down to visit your family often driving a big long car. I recently had a dream about you coming down to visit my mom in Overton with Aunt Martha and Linda. You were driving the car so fast that when you top the hill, the car took flight and you passed right by my mom’s house. We all laughed and waved.

Until we meet again!

“ *Big Brother: Just like the others, you also had a nickname for me, and you called me Lil' Head. I remember I would always answer you back, saying, all right, Pig! I remember those times visiting Detroit and you always opened your home for us to stay there. You will truly be missed on this earth. Rest well, my dear brother! I will always love you! Adele*

“ Mac, I will always remember that my name to you was, "Lil sister". Lil sister looked forward to becoming your Secretary for only once yearly. Lil sister criteria were to sign and address xmas cards that you would drop off and pick up with pleasure to take to the Post Office to mail to family and friends."

*Uncle Mack,
I will cherish your memories! You were the uncle I remember coming down to Alabama often to visit your family. It was always an honor to sit in your presence and listen to the stories that you shared. I remember the big long car you drove. I remember you driving fast. lol at least much faster than your dad. I had a dream about you not too long ago coming down in that long car with Aunt Martha and Linda. You were driving as fast as it would go bringing them to Overton to see mama. You were driving so fast that when you hit the top of the hill the car took flight and passed right by her house. We waved and laughed. I also share the same name as one of your precious daughters. Rest well until we meet again!*
