“ *IT was a pleasure meeting this sweet Angel for the first time at our LOVE family reunion last year. So glad you were able to make it and shared your loving smile with the family of Ned Love . No that we love you and hate that you will not be present for the next reunion here on earth. Be sure to let my grandfather know that you were able to grace his family in St.Louis with your warm loving spirit. Until we meet again. Rest Angel.*

“ *I have the greatest memories of our long talks on the phone. And when she was in St. Louis last year for the family reunion, I had not seen her since I was a little Girl in Arkansas. She was so thrilled I identified her and Adena in a crowd at the Train station when I went to pick them up. I love you Melvie and I already miss You. Forever in my heart, my beautiful cousin*
