“ *I never met Meshan in person, i have spent the past year getting to know her daughter Ajerie (or AJ to me). The growth I have seen in this young woman is commendable. The fire I have witnessed is a force to be reckoned with. And the drive, desire and excitement in her accomplishments has been a pleasure to watch. To AJ - you are in my prayers. I have to believe that your momma is so proud of you. I wish I would have had the opportunity to meet her but believe I see her spirit in you. I am so sorry for your loss and I am glad to understand you have a village of support around you. Lift each other up and be strong for each other. Take care little one.*
