“ *Mike and I started working at Ford in 1996. We were part time for 31 months before becoming full time in 1998. We worked on the door team together. We also both drove Hilo. He was full of life, love and laughter. One of my most treasured memories is when he joined me and several other FORD CO WORKERS for my birthday dinner. Having him attend was the highlight of my birthday. He kept everyone in stitches telling jokes.*

When I learned of his passing, it threw me for a loop. I'm still in disbelief.

To his family; know that I am praying for you and asking God to comfort you as you prepare to say your final farewell, I loved him like family and I will miss him greatly.

My deepest sympathies
