“ I didn't know Mike as well as others did. But what I do know is that he was the type of person you wanted to live around. You couldn't ask for anything else. I'll miss waving to him as he cruised on his cycle. My thoughts are with his family and friends. While I wasn't able to pay my respects in person, please remember this. Gone doesn't equal forgotten.

“ Cousin, as we called each other, I will always treasure the time we spent together and your smiling at me before you made your transition. I believe you were letting me know you were on your way to a better place. Forever in my heart❤️.
