“ I had the honor to know & work with Mike at General Motors years ago. He was such a wonderful man with a kind heart. I had great respect for him & will miss his generous nature, sharing his remarkable sense of humor & his beautiful smile. I've known him to be a very kind person who loved his family, he was an approachable guy who would do whatever he could for others to a fault. Mike, his family & friends are in my thoughts & prayers. I will light a candle tonight for Mike. ~Joyce Terrell-Broach

I had the pleasure of knowing Mike as neighbors here in Harper Woods. He was such a great guy, and we all loved him. He was well respected too by us all... He will be greatly missed. To the family I pray that you will be comforted by the love that we all had for your loved one, and please know that we all share in your sorrow. May the precious memories you have of Mike bring you peace and comfort at this time. May God bless each and everyone of you, and may His presence be felt in the coming days bringing you strength, and peace within.... We all know that death is the only door that leads to Our Fathers house, and that He will welcome us home. God Bless you all!
