“ Mickey My Love My Cousin My Life Coach I will forever Keep the memories and Secrets we shared close to my Heart . We talked about life and Death on many occasions. I had no Idea you would leave me so soon. My Heart is Heavy and it Hurts so bad to know that when I come Home I wont be able to see you share a drink etc... But Just Know My Love I will Love you forever and you will never be forgotten!!

“ Michele was a huge support to me and my family on the day my dad died. 3 years later, I still have no idea how she got to my house so fast. She attended a Star Trek event with my family on my parents' 50th anniversary, 9 months after my dad died. Having her with us on such emotional days meant the world to me, my mom and my family God truly blessed us with her love and friendship.
