“ I didn't know Michele personally, however, she was a well known and successful business women, who made her mark coming from Detroit and living her truth, and dreams. It saddens me to hear of her leaving he earth too soon; she was an inspiration for women young and mature, and the epitome of a true go getter. She will be missed!

“ I met michelle when she just opened up solutions. I was a walk in and I didn't know who could really do a good job on hair. So I told michelle that I wanted her to cut my hair because her hair was so pretty. My hair was alil shorter then hers. To make a long story short. Michelle was like girl I don't want me to cut your hair because I haven't start cutting yet and I said Yes I do. She did it in a Bob and it was flawless. That challenge that people put on us sometime just make our weak points out to be our high points. She turned out to be great at all she did and she wasn't trying. It just came natural, heaven has truly gained a angel

“ My family and I would like to give you and your family our deepest sympathy for the lost of your love one. I too have lost several loved ones in death, and the pain is tremendous, even with the passage of time. I found words of encouragement from God's word the Bible. The Bible speaks of death being an enemy that God never intended mankind to experience. In Isaiah 25:8, God promises that in the future he will actually swallow up death forever. You can put all your trust in God's promises. You and your family are in my prayers.
