“ *Michelle was a wonderful person to my mom who was an Oakwood Commons resident, and to our family. Always a smile and a listening ear and then she went into action to address any concern. When my husband was ill she continually asked about him and when he recovered she never missed a chance to check in on him. A lovely, caring person who will be missed by all. Our deepest condolences to her family and dear friends.*

“ Michelle is one of the most beautiful people I know. I have worked with her for 3 years, and she is one of the most thoughtful, amazing, wonderful human beings in the world. She was wonderful to staff, always an advocate for patients, and staff . My daughter died last month and Michelle sat with my other daughter all the time comforting us . She was an amazing mother who raised 3 beautiful, respectful loving children who were her world. I know that she was an angel while on earth so she is surely one now. I pray that God gives her family the strength to go forward, and share her light, and faith with the world. I love you Michelle. Charlotte Haider
