“ *After moving to Detroit, I was introduced to relatives I had never met. Mildred, the Matriarch of the family, accepted me as thou we had known each other all of our lives. Cousin Mildred never forgot to include me in all family gatherings or just a phone call to say "girl what are you doing"? I love Mildred and will continue to love and communicate with my family. I love you all and let us (please) continue to keep Mildred dream alive of family togetherness. Quola Wright-Johnson*
