“ *Ms Drake, or as we called her "granny" was like a real grandmother to my kids while they were growing up. They saw her every school day for years. She spent her days with the baby, spoiling him to no end! The phrase "I'll give you anything you want" was what she would tell him. He used that line at 2 yrs old, when a young, attractive waitress walked away from our table, he turned around repeating Granny's words; we still talk about that! Granny was no-nonsense, strong, caring and God-sent. We are forever grateful to her, our condolences to the Drake family. May she live on through our memories.*
