“ *I'm not sure how Mildred and Harold became a special part of our family, it seems they were always with us. After Harold transitioned, Mildred and my mom became even closer. Mildred cam with my mom to my 50th birthday party in Washington, DC. We had a blast the entire time, shopping, eating, partying and sight-seeing. The whole time of festivities was beautiful. Mildred zest for life and her classy way of being are joyful remembrances for me. She was kind and warm. I sent her my mom's obituary and we spoke for a long time after my mom's death and a couple of occasions afterwards.*

I pray God's peace upon you all as treasure the memories that bring you the most comfort.
