“ *Mama you will truly be missed, in my mind I was thought I would have at least another decade with you, but the time I did have with you was filled with my love for you. My heart... is breaking but I also know you are with Dear old Dad and your not alone. I know this is selfish I have been praying for just one more day with you.... I loved you so much you will always be in my heart and I know I will see you again.*

With love, Latashia
