“ I remember always looking forward to Charletta coming back to Tennessee for the summer. It seems just like yesterday that we sat on the front porch with Sissy and Rube and laugh and talk and play hide and seek. I always looked forward to calling you on November 10, as we shared the same birthday. I'm truly going to miss you little sister. RIP your Loving Brother Tom Savage

“ Our heart goes out to your family, as you prepare to say goodbye to your loved ones. While world fail to capture the pain of losing a loved one, God sees everything he hears the groans of the oppressed and revives the hearts of the crushed. May God sustain you at this time of great loss.
