“ *Got to know Mildred years ago though the 4th Fridays concerts... back when they started in Southfield. Her and Marvin saw my daughter Ruth grow up from around 6th grade through marriage. All of the people from 4th Fridays are more family to us than just concert promoters. But Mildred was extra special, being the ticket lady. We shared tons of stuff with her and she was always willing to listen!!!! She will be missed.*

*Marie and I didn't make it to the visitation this evening. Marie is fighting off a little congestion and we didn't want to take a chance on it remotely being that coro-19 thing and being caught in public.*

*So, we are happy that we got to know Mildred as a good friend, another music lover, as well as a good Christian. Those years of memories will live on in our head 'til we meet up on the other side.*

“ So sorry I was not able to be there as planned tonight. Just want to let Marvin know he is in my prayers. A memory I have of Mildred is how she called my husband, daughter and I “the little family”. She always had a smile, listening ear and genuine concern for us. Felt her prayers. God bless her extended family and friends with the matchless comfort of our good Lord tonight. Love, Marie Schipper

“ It was just a few months ago when Mildred and I were having a conversation at one of the Prison Fellowship events. I’ll forever cherish her smile and wise wisdom on her ability and knowledge to help others. Rest my friend.
